Green Green Green

I buy all my products cause they're green

Literally green

All the packages are green.

Green tells me it's good, that I am good

For buying green, everything in my house is green.

They say you should double check the labels

To make sure it's really green

But I trust the corporations cause I'm good at buying green.

Yeah I'm good, because I buy green.

Green Green Green is all I buy, cause I'm a good person

Green Green Green is all I buy, cause I'm a good person. Aren't I?
